# Buying Wine in Pennsylvania

PA Wine & Spirits Stores hope you enjoy the Wine Festival and the wonderful wines being poured tonight. For your convenience, many of these wines are available for purchase at our on-site Wine & Spirits Store. Others may be available at your favorite PA Wine & Spirits store or as a Special Order purchase. Here's a quick guide to how PA Wine & Spirits selects and categorizes your favorite wines.

## **REGULAR STOCK**

Regular stock wines are available in most PA Wine & Spirits Stores and catalogued in the Buyer's Guide in each issue of our quarterly magazine, Taste. If you find a regular stock item in Taste that is not stocked in your local Wine & Spirits Store, please notify the store's general manager so he or she can order and stock the wine for you.

## **LUXURY**

PA Wine & Spirits Stores carefully select luxury wine offerings based on criteria that distinguish them from regular stock wines. Our luxury buyers seek out wines in limited production, of high vintage quality and with nationally renowned wine critic ratings. Customer purchasing trends and the price/quality ratio of each item are also very important considerations. Luxury wines include those in our popular Chairman's Selection™ program.

Luxury wines are distributed to Pennsylvania's 71 Premium Collection Wine & Spirits stores and are available online at [FineWineAndGoodSpirits.com](http://FineWineAndGoodSpirits.com). All luxury wines have a limited availability in our stores,

Each Premium Collection store has a trained wine specialist on staff to assist customers with purchases. Wine specialists will gladly search the statewide inventory database to find a requested luxury wine and, if the wine is available, will transfer that wine to your store for your convenience. If you are a fine wine enthusiast, visit a Premium Collection store near you.

To locate a Premium Collection store near you, please consult [FineWineAndGoodSpirits.com](http://FineWineAndGoodSpirits.com).

## **SPECIAL ORDER**

Looking for a wine that is neither a regular stock nor luxury product? PA Wine & Spirits has registered thousands of wines carried by wineries, importers and distributors that are not available in stores, but can be purchased by Special Order. You may order a Special Order wine at any PA Wine & Spirits Store; by sending an e-mail to [ra-lbslo@pa.gov](mailto:ra-lbslo@pa.gov); or by phoning 1-800-332-7522, option #1. Please include your daytime phone number in an e-mail so that we may contact you to complete the order. Your Special Order wines will be delivered to the PA Wine & Spirits store of your choice.

## **WINE & SPIRITS HOTLINE**

The Wine & Spirits Hotline can help you with locating wines available both in and out of Pennsylvania. At your request, hotline representatives will do their best to make a wine available in Pennsylvania via Special Order. The Wine & Spirits Hotline is available to assist customers Monday through Friday, 7:30 am to 5:00 pm, by calling 1-800-332-7522, Option #1.

## **WWW.FINEWINEANDGOODSPIRITS.COM**

PA Wine & Spirits is dedicated to providing consumers with excellent service and the widest selection of high-quality wine and spirits. While our stores offer a diverse assortment of products, our online store allows us to extend a greater selection to all Pennsylvanians. Consumers who might not find their product of choice in a local store can now conveniently order an array of wine and spirits.

FineWineAndGoodSpirits.com features specialty wines, many highly allocated and hard-to-get selections from boutique wineries and a selection of premium and artisanal spirits. Many of these items are exclusive to the online store. Personal shopping assistance is available via live chat during business hours. The website also includes a statewide calendar of free wine and spirits tastings in stores and a wide range of entertaining tools, including food and wine pairing recommendations, a party planning calculator and tips for hosting your own wine tasting.
